Weekly report
Fan Zhang
a1738078

•What you have done for the project during the week individually

1. Doing the black box test for the results accuracy, and equipment stability.

2. Prepare the key points for the presentation slides.

•What you plan to do for the project next week individually
1. Check if our GitHub repository has satisfied all the requirements from the rubrics.
2. Assign the tasks of final report to all members in our group.

•List the issue you encounter and give reasons if applicable

1. Need to have a backup plan in case our remote member cannot have a good internet connection during the final presentation.
